Commodore's Comments.....

I would like to thank all active members who took time to either attend the AYC 2007 Annual Meeting or to send a proxy assuring a quorum. The Meeting was held October 14th with a majority voting. The Officers and Board of Trustees are appreciative of your participation and support.

The results of the election are as follows:

Officers for 2008

- Commodore..... Paul Tinlin
- Vice Commodore..... Steve Tischbein
- Rear Commodore..... Dan Detchon
- Past Commodore..... John B. Wyrle
- Secretary/Treasurer..... John Bodnar

Trustees - 2 yr. Term thru Dec. 2009

- Jeanine Day..... Chess Lamb
- Dr. Mark Lamielle..... Donald Miller
- William G. Uptegraph..... Lou Young

The By-Law change, Article 1-2 (C), increased annual dues was passed and strongly supported by the membership. Again, thank you!

I would like to offer a special "thank you" to David Dale, Wayne Shaw, and Dennis Burkhart who will be completing terms at the end of this year. All have served AYC well.

As previously announced, Paula Moyer, our current Secretary/Treasurer did not seek re-election due to job and personal restraints. Her dedication during this year and as a previous Board Member is appreciated.

Last but not least, I salute all those individuals who stepped up and expressed an interest to run for positions on the Board of Trustees. I encourage all to remain the active ambassadors that you are for our Club.

We finish our Halloween Parties enjoying all the ghostly costumes and head into a

month of Thanksgiving. Pauline and I are thankful that we will be able to share the success of our Sailing Fleet at their November 3rd banquet, the welcoming of New Members on the 10th and the Holiday social activities to come.

We always look forward to seeing you at AYC.

**CLUB NEEDS PROMPT PAYMENT
OF CLUB SERVICE ACCOUNTS**

To protect the financial position of the Club, it's important that members are prompt in paying their personal account statement they receive from the Club. Statements are typically mailed about the first day of each month, and we now require full payment by the 15th. Payments received by the 15th of each month will help us manage our cash position and avoid the need to consider other options to address the personal accounts of members.

Ladies Auxiliary News.....

The Ladies Auxiliary Board met on Thursday, October 18th. Plans were finalized for the photo contest judging, Christmas Marketplace, quilt raffle and election of Officers. Our final regular meeting will be held November 8th in the Marr dining room.

We have had a successful year and hope our December finale will be the best ever sponsored by the Auxiliary. Our final project for this year is the new Mantel for the ballroom. We are to have it installed before the Black Tie event in December. All members are invited to attend our last meeting to share wine and cheese, bring suggestions for the upcoming year and socialize with the ladies of the Club.

Not to early to book your Christmas Party at AYC.....

During the month of December, many parties are booked at our Club.

If you are interested in having a party at the AYC for family or business activities, please contact Norma and get your date locked in. So call soon as we do get very busy during this time of the year.

Dock News.....

Another season has come to an end but what a great season it was!

If you have not removed your boat from the water by now, you had better hurry-dun. The water level will be going down soon and we don't want any boats stuck in the mud for the winter.

Even though the winter months seem to drag on forever, spring will be here before we know it.

See you at the Club!

Sailing News.....

As our boating season comes to an end, I would have to say things went pretty well. We managed to get all our races completed with a good number of boats participating. All social events were all fantastic and well attended.

Thanks to all who helped me this year. Our season ends with our Sailors Banquet scheduled for November 30 at the Club.

Until next month: To be at one with the wind is to be at home in the world.
