Commodore's Comments.....

Summer is officially here and Club activities are in full swing with events such as a well attended Kid's Carnival, Member/Guest Golf Outing, Wednesday Golf Scramble, Sailor's Steak Fry, Pontoon Fleet Steak Fry and many other outdoor functions provided by our Social Committee, chaired by Randy Wells.

Speaking of summer activities, the July 4th fireworks will be launched from the 4th hold of the golf course. This is the hole that overlooks the largest portion of the lake, visible from the boaters beach and as far away as the dam. You can start your July 4th holiday with the pancake breakfast, served by our Past Commodore's on the porch beginning at 8:30 AM. Throughout the rest of the day, from noon to 10 PM., our kitchen will be serving from the lite fare menu.

On July 11th, our kitchen will host another of our popular Filet Mignon nights. These events have been very successful. If you haven't tried one, I urge you to come and enjoy a great steak along with camaraderie being with friends.

You've probably noticed what great shape the Club and grounds are in this summer. Hats off to the Building and Grounds committee, co-chaired by Denny Snyder and Chess Lamb, who have done an outstanding job.

Our Junior Sailing program, headed by Bob Clark, is off to a rousing start. We have enough sailors interested this year to have two Junior Sailing camps. We are very fortunate to have interested members like Ken Durbin, Gary Jones and Brian Standiford, who have donated their time and effort to have the Sunfish ready for our Junior Sailors. Eight Sunfish underwent total repairs, paint and rigging.

Jeanine Day with the Membership Committee continue to seek out good prospective members. In fact, we have

received 12 new membership applications since the first of the year. This is still a long way from the full membership we need to fully strengthen our Club, so if you have any good prospects, please contact Jeanine or any other member of the Membership Committee.

Don't forget the Club's 60th Anniversary Party will be held July 19th. This promises to be a wonderful evening, and ticket sales have been brisk, so don't delay. Tickets must be purchased in advance at the bar. Remaining table selection is listed on a chart in the bar and you may make your choice from the available tables.

Start Your July 4th Holiday with Pancakes on the Porch.....

On July 4th, starting at 8:30 a.m., AYC Past Commodore's will serve their annual Pancake Breakfast. Serving is scheduled to continue until 11:30, or until they quit serving. In addition to pancakes flipped by Phil Stern, and Bill Farber, the Breakfast will include eggs, sausage, bacon, juice and coffee as well as special "eye openers". Last year, the group served over 200 breakfasts, so get there early and enjoy the fun.

Ladies Auxiliary News.....

Don't forget, the next Ladies Auxiliary meeting will be held Thursday, July 17 at 6:30 P.M. This meeting will be out on the lake.

We will appreciate reservations so Chef Jim can prepare something special for us.

Also, if we have the number of women we will know the size of the boat to prepare. We have been having great turnouts at our meetings and please keep coming, encourage a new person to attend and join us for the fun and the sharing of ideas.

**Tickets Now on Sale for
AYC 60th Anniversary Party.....**

The AYC Anniversary Party is shaping up to be a very popular event. Tickets must be purchased in advance, and already the party has reached about half-capacity. Tickets, at \$35 per person, are available at the bar. If you purchase a table of eight persons, you can select your seating location from what is still available..

Hosted by the Club's Past Commodore's the Club's 60th Anniversary Party will take the shape of a classic outdoor garden party. White apparel is suggested, and seating will be available on the porch or on the lawn, either under a tent or under the stars. A cocktail hour will begin in the ballroom and on the porch at 6 p.m., followed by dinner served from various stations beginning at 7. After a short program of remarks including Commodore Paul Tinlin and Past Commodore Gary Spahr, there will be dancing on the porch with the popular band "7-T-7."

The event is open to all members as well as people who may have been active members years ago, plus friends of members and membership prospects who would appreciate and enjoy this great evening for our Club.

Social Committee Speaks out!!!!!!!

Hello Everyone!!!

First of all I must start out by thanking everyone that worked so hard putting the Kid's Carnival together and make it a great success.

Nevada & Rick Leggett, and Rene, Colleen Detchon, Jeanine Day, Joan & Lou Young, Anita Hirsch, Kevin McCullough, Gigi, Brian and Courtney Standiford, Tim Kameron & his nephew Chris, Denny Snyder, Bob & Betty Burkey, Pauline Wyrrie, Commodore Paul Tinlin, (who by the way took one for the team!) Norma and her terrific staff, And ALL THE CHILDREN, PARENTS & GRANDPARENTS!!!!

I could not have done it without ALL of you. Thank you ever so much

Coming us soon July 19th, is the AYC 60th Anniversary Event. If you haven't done so yet, sign up today!!! This is a very special occasion for all of the Club's members celebrating 60 years of togetherness, fun, boating, giving back to the community, endearing, and many memories. The Blue Gavel has worked very long and hard putting this event together. From what I've seen tickets are going very fast and may be sold out very soon.

Next up in July is the Caribbean Night Party. I'm sure Chef Jim will be whipping up some great Caribbean treats for our enjoyment. This is scheduled for July 26th at a cost of \$45.00 per couple or \$25.00 single. The band is top rated that will be letting us join them on stage, putting on a limbo contest, and providing us with some unforgettable music. You can check them out on the web site url:http://www.aaclassactentertainment.com/cg_home.htm

Check with the Club soon for flyers, sign up sheets and more information. This is going to be a very fun and entertaining event.

See you at the Club

Randy Wells, Social Committee Chair.

Pool Side News.....

Well, the weather has been a real mix with temperatures and moisture content, Memorial Day weekend included. Last month's pool news was already submitted prior to the discovery of the need for a replacement heater. Special thanks to Brian Standiford and Kim Kameron for assisting in accomplishing this task in such short time. Temperatures may not have been as warm as we would like to see, but with our new heater the water was a balmy 82 degrees.

When you see (Leonardo), aka Jan Kennedy, give him a pat on the back for all his work with a paint brush, also Commodore Paul and his wife Wanda for their green thumb work around the pool. If you haven't had an opportunity to see the re-furbished bath house, you need to stop-by and while your there enjoy a little fun in the sun. With the age of our existing pool a special committee is being formed to evaluate the feasibility to replace the pool complex.

Looking forward to seeing you at the pool, your pool committee

Will Uptegraph, Chairperson, Mark Lamielle, Don Miller and Dennis Snyder.

Oops, we made an error.....

In the Commodore's Ball Committee article in last months issue, Gary and Bobbi Jones' names were omitted from the committee list. Sorry for the error! They were very active on the event as was everyone. Thanks again!!

Jeanine Day Chair

Club Concerns.....

Get well wishes go to Bill Douds in Akron General recovering from an accident, and to former member and Past Commodore Lou Abraham who had a kidney removed.

Our sympathy to the family of long time member Don Saxton who passed away recently.

Our Steak Fry on June 7th was well attended and had a "Come as you were in High School" theme. Bobbi did here usual great job organizing and hosting and Kevin was "The GrillMaster"! Thanks to all who helped and to all who brought those great side dishes.

Until next month: It has been said that it takes a village to raise a child. The same goes for building a sailing program. Thanks to all that have volunteered hours of their time and talents to prepare for the Junior Sailors. The sunfish look spectacular! Remember: Club Members can take their Junior Sailors out on those boats all summer!!

Dock Committee Report.....

If you have not picked up your decals yet, please do so at once and get them affixed to you boat. This just might prevent being ticketed by the Ranger.

Also, it appears that several boats are being dry docked without notifying the Club. Consequently there are several boats that cannot be identified by their owners. MWCD requires that all boats in dry dock must have a Dry dock decal. If would be helpful if you could let us know if you are dry docking your boat so we can obtain the proper decals for compliance and get them on your boat.

There are several available docks so if you need a dock, now is the time to get one. Available docks can be identified by the red sticker on the Dock Location Board located on the porch.

Enjoy the weather and boat safety.

Lou Young, Dock Committee Chair.

Also, don't forget we are now serving breakfast on the porch on Sunday mornings. It's a beautiful view and a most enjoyable setting to dine.

In addition to all the above, there are numerous cook-outs being planned as well as Pool parties.

Call the Club if you would like to have a party at 330 735.2135

Membership.....

Thanks to all members who have submitted applications for new members to our Club.

So far this year we have seen 12 new proposals with additional ones in the works.

As we all know, membership is the lifeblood of our Club. We have a great facility here on Atwood Lake. It's often been referred to as "the best kept secret in town." Although we do not think of our Club as a secret, we want to expose our facility to others so they may enjoy the many benefits we provide to our members. A few being a lounge, dining, swimming pool, boating (Jr. Sailing, Sailing, Pontooning) golf and a very busy Social Schedule.

Introduce a friend to the Club today!
