Commodore's Comments.....

The Memorial Day Weekend has officially launched our busy season at the Club. Boats are filling up the docks, the first sailing race got under way, the Friday night entertainment has started and general activities are getting busy.

Will Uptegraph and the Pool Committee consisting of Mark Lamielle, Don Miller and Denny Snyder worked feverishly to get the pool opened in time for Memorial Day Weekend. The age of our pool makes this a difficult task. As the pool was being prepared for opening, it was discovered that our heater was broken beyond repair. Thanks to the summer golf league and the pontoon fleet for their generosity in purchasing the new heater. Also, a special thank you to Gary Jones, Tim Kamerer, Jan Kennedy, Brian Staniford and Lou Young who worked so hard to make this all happen.

Just a reminder. The Snack Bar is open from 12 until 4 pm. Tuesday thru Sunday for your favorite snacks. The Lounge will also open at noon for Friday for your favorite food & beverage. Also, we are offering outdoor seating for your dining pleasure every evening. Back by popular demand, Sunday breakfast is now being served on the porch from 9 until noon.

The new Membership Book inserts are available and can be picked up at the bar along with your MWCD Decals. (Please ask anyone of our bar staff for yours.)

I would like to thank the Ladies Auxiliary for their generous contribution of flowers, shrubs and mulch, which has helped make the Club look fantastic.

Finally, a note of thanks to the Commodore's Ball committee. Jeanine Day, Bob and Betty Berkey, Clarence and Carolyn Cantrill, Dan and Colleen Detchon, Phil and Rose Eberhart, Gary and Bobbie Jones, Tom and Linda

Kamerer, Larry and Sandy Ledford, Rick and Nevada Leggett, Len and Betty Persinski, Lyle and Dorothy Schiefer, Jeff and Cathy Schmitt, Tom and Jill Simmelink, Denny and Linda Snyder and Tom and Nancy Wheaton. To say the least, it was a spectacular event and a memorable evening for Wanda and myself.

60th ANNIVERSARY LAWN PARTY-BUILT ON SECRETS OF THE PAST....

Organized by the Club's Blue Gavel Chapter

The AYC 60th anniversary event will reveal significant moments in the Club's history during a dinner-dance to be held on the Club's porch and lawn.

The event will be held Saturday, July 19. Tickets, at \$35 per person, will be sold in advance only beginning in mid-June. A table diagram will be available at the Club bar, and members may select and pre-pay for specific table for 8 people, if they wish. Smaller groups may also ask to be assigned to the same table. In case of rain, the event will be moved inside. The evening will begin with a cocktail party, followed by dinner, a brief historical presentation and then dancing on the porch to the band 7-T-7. Those attending also will receive a commemorative gift marking the Club's 60th year. Because it is a traditional summer lawn party, it is suggested that those attending wear white.

Brian Valot is collecting historic photos of Club events, which he will borrow and scan for a video presentation. If you have any, please contact him. Watch for more details and check regularly in the Club bar for the beginning of ticket sales and table reservations. For now, circle July 19 on your calendar.

Ladies Auxiliary News.....

Plan to be involved with the Club activities. The women are all excited with the years meetings. Nancy Parham's creation is being quilted by Cleo Young. Watch for the tickets to be available..

Our June meeting will be June 19th at 6:30 PM. Chef Jim RhieI will serve pizza and salad to all in attendance. All women of the Club are part of our meetings . Bring a guest and meet new friends. (We plan to have a meeting on the lake!!) We have so much to share and we want your ideas.

Dorothy Schiefer
Co -President

Atwood Lake Home Tour.....

Please mark your calendars for the first annual Atwood Lake Home Tour sponsored by the Ladies Auxiliary of our Club. The date is Sunday, June 29th from 1 to 6 PM.

Home Tours like this are very popular, often taking place during the holidays and in historic neighborhoods. To our knowledge, this is the first ever tour of Atwood Lake area residences, so it should be well attended. Eight home owners have graciously permitted us to showcase their residences (one is a houseboat) to the public as a fund raiser for our organization. The homes are located in 6 distinct neighborhoods around the lake and the Yacht Club is one of the stops on the tour.

Please help make this a successful event by purchasing your tickets in advance at the Club, or any of the following locations: Citizens Bank in Dellroy, the Visitor's Center in downtown New Philadelphia, the Carroll County CVB in downtown Carrollton or Schoenbrunn Landscaping in Dover for \$10.00. They will also be available for \$12.00 on June 29 at any location on the tour. Photos of the homes are displayed in the lounge.

Home Tour continued.....

Committee members have been working behind the scenes for some time to put together this event, but we need your help to promote it by posting a flyer in a high traffic location. Also, we will need many members to come forward as "house sitters" on the day of the event. Sign up sheets have been posted, let Colleen Detchon, Dorothy Schiefer or I know if you would like to help!

Pauline Wyrle

From the Social Committee.....

The summer season is officially underway, what a terrific Memorial Day weekend FINALLY!

We kick off June's Friday night entertainment with Little Rock on June 6th.

Don't forget it's not to late to sign up for the Member Guest Golf outing on June 7th . Please contact Lou Young for all the details. I know Lou and his committee have put together a fun filled day with excellent prizes!

The AYC Sailing Fleet Steak Fry is June 7th as well. This is a great event that is proceeded by a day of sailing, and tall tales. On June 13th Tom & Barb Newbold come once again for our listening and dancing entertainment. June 20th is Eric Haines and his Dragon On Tunes are back at the Club to delight us with his dazzling array of music.

June 22nd is the Kid's Carnival. If you can help out with this event, please contact Nevada Leggett. There are some very entertaining events being planned for the children. There is no charge for this event but any and all donations will be greatly appreciated to help defray costs. June 27th brings Benjamin Coal Company back with entertainment.

June 28th is always enjoyable and tasty with the Pontoon Fleet Steak Fry. If you haven't joined the Pontoon Fleet yet, this is just one of the wonderful events put on by the group.

I'm sure the month of June Chef's Jim and Steve will be surprising us with more delectable culinary delights!

See you at the Club

Your Social Committee
Randy, Ron, Will and Lenny

From the House.....

I want to use this month's article to talk about what is very important to all of our members: finances, inflation and rising costs have had an impact on everything that has been purchased in the last several months. Rising costs are the same to our Club as you have seen when you go shopping at the local stores.

We want to maintain and improve the benefits that you receive by belonging to a private Club.

Your participation at our Club, your support by introducing others to join is what allows us to continue to operate in a fiscally responsible manner and continued use of the Club is critical to help us overcome the rising costs we are incurring and will incur in the future.

If you have not been to the Club lately, you have been missing some of the BESTS SUNSETS!

Stop to have a drink of your choice at the bar or go outside and sit at one of the pool side tables to enjoy the beauty of the sun setting over Atwood Lake.

See you at the Club.

House Committee Chairperson
Steve Tischbein

Pontoon Fleet.....

The Pontoon Fleet wants to thank you for your support at the Memorial Day weekend breakfast.

Your fleet has used the dues to purchase a temperature plate warmer to keep meals hot. You will also see additional picnic tables around the Club.

We look forward to Saturday, June 28th Steak Fry starting at 5:30 to 8:00 PM. Come early, stay late, meet new friends!

See you on the porch around the pool or on the lake!

Meeting rescheduled at Steak Fry-June 28th.

Pontoon Fleet Captain

Sailing News.....

Considering race conditions (plenty of wind to move a Hunter 29.5 and enough rain to separate the men/women from the boys/girls), the Ralph Redmond Fun Race kicked off the 2008 Sailing Season and would have made Ralph's day!

Before the race we offered up a toast to Ralph (Red Pop—by George!) And concluded the day with a gathering on the porch to celebrate the winners.

The first official race (Atwood 500) took place Saturday, May 25th. Again, we had a good wind that gave us the opportunity to sail a long race. The committee, headed by Denny Breneman, implemented our new flags to signal the start of our races to be used along with sound signals. The results were as follows:

*Oh! For the life of a sailboat man
Who lives each day without purpose or plan.
For him not the worries, the trials, the cares-
The pressures of business, the pitfalls and snares-*

*No problems of profit, no quotas to meet-
No meetings, no speeches, no deadlines to beat*

*Tied up to a dock at the edge of a lake,
His is the carefree life that most of us would take*

We also have some plans to spruce up the bath house if not completed as you read this **Newsletter**, again weather related, as part of our plans involve some painting.
