Commodore's Comments.....

The upcoming Harvest Moon Regatta weekend-Sept. 5-7 - promises to be one of the best. Vice Commodore Steve Tischbein and his committee have been busy putting the final details together for this great extravaganza.

This is a Club event and all members are invited to join in, starting with the Friday evening welcoming party, viewing the beauty of sailboat racing and including our famous, the Saturday post race hors d'oeuvres/cocktail party, which all of you help make possible. The swimming pool will be open for this event, and then closed for the season.

The kitchen and lounge will change to fall hours starting Sept. 1st, except for those nights when we are holding Club social events.

LOUNGE:

Tuesdays and Thursdays..... 3:00 to 9:00
 Wednesday..... 3:00 to 10:00
 Fridays..... 3:00 to 11:00
 Saturdays..... Noon to 11:00
 Sundays..... 1:00 to 9:00

KITCHEN:

Wed.-Thurs.-Fri.-Sat..... Open until 9:00
 Sundays..... Open until 8:00
 Tuesdays..... Soup & Hotdogs in the Lounge

Please plan to attend the Annual Meeting on Sunday, October 12th. The issues on the ballot this year will be for Officers and Trustees. The Nominating Committee comprised of Gary Zell, Jack Wyrle and Bob Berkey will be interviewing active members who come forward and express interest in serving on the Board of Trustees. Ballots and profiles of the candidates will be mailed to active members.

It is vitally important that you cast your ballot, either in person or by mailing your ballot and assigning another active member or Club Officer to vote your proxy. Without a quorum of members attending or assigning proxies,

Commodore's comments continued.....

we cannot hold a meeting, which creates unnecessary expense to the Club to re-schedule as well as reprint and re-mail new ballots.

More important, this members-only meeting is a chance for you to hear reports, review finances, ask questions and make your comments and recommendations known about the Club's operation and facilities, both now and in the future. This is your opportunity to learn and to make your voice heard, so I strongly encourage everyone to participate.

Wanda and I look forward to seeing you at the Club.

Paul Tinlin, Commodore 2008

How to register suggestions concerning food and service.....

Although we try our best to provide quality food and good service to our members, from time to time there may be an occasion when we are very busy we may not be able to get to your table as quickly as normal. If you wish to offer some constructive criticism, please do not go to the kitchen or announce it to the entire Club. (For health reasons the kitchen is off limits to members). Simply ask to see the Manager and she will address the situation and get it corrected as quickly as possible.

The House Committee appreciates your input and thanks you for your concerns to make our Club better.

AYC Ladies Auxiliary Quilt.....

The Atwood Cabin Quilt is hung in the lounge. On Wednesday, August 27th and 5:00 p.m., we will be stuffing envelopes with tickets for the Quilt which you can pick up in the lounge.

We will appreciate and enjoy your help.

Social Committee News.....

Hello Everyone

Where has the summer gone?

August had something for everyone and a very big Thank You for all of your participation in the events!!!

September brings us the Harvest Moon Regatta September 5, 6 and 7th. On Friday Night, Sept. 5th the Benjamin Coal Company will be providing dancing music in the Main Sail Lounge to get the big weekend started. Saturday, the 6th, Bob Fentre will provide us with easy & toe tapping jazz music for our listening enjoyment after a long day of sail boat racing. The Harvest Moon Regatta is open for the entire membership, not just for sailing so please plan to enjoy all that it has to offer.

September 20th the always enjoyable Wine Tasting Event takes place with many wines to taste and purchase if you so wish. Plenty of good food to enjoy too!! The sign up sheet is available in the Lounge, don't delay!

It's not too early to start thinking about the Black Tie Charity Event and Christmas party slated for December 6th, 2008. There will be more information forthcoming. Last year the AYC was able to donate over \$10,000.00 to the Tuscarawas, Carroll County and Dellroy Charitable Organizations. They need us now more than ever!!!! The Black Tie committee is seeking bottles of wine to be donated by the Club members, so please if you have a bottle or two of your favorite wines you would like to donate bring them to the Club. The bar staff or Norma will be happy to receive them and store them for the Silent Auction.

Thanks and I look forward to seeing you at the Club.

Pool Side News.....

Well, it's time to trade in our pool time and sun tan lotion for jackets, sweaters and fall fun! We hope your time at the pool this summer was relaxing and enjoyable.

A special thanks goes out to our lifeguards for the great job they did for us this season.

As mentioned last month, the Pool Committee could use some HELP on September 13 to winterize the pool and bathhouse. If you could give us a hand we would appreciate it.

We hope you all enjoyed the summer at AYC.

On August 23rd. AYC and the SBYC had a benefit race for Bill Douds. The wind wasn't as cooperative as we would have liked, but we had 15 participating. Rex Carper came out of retirement for the day and two time C-25 national champ Mike Humphries even brought the Red Sled out to play. Thanks to all!!!

Harvest Moon Regatta is our big race of the season. Last year we had 50+ boats participating so we are hoping for good wind and weather. Thanks to all thus far who have been getting final preparations in place for our outside visitors.
