Commodore's Comments.....

Whoever said, "Let it snow, let it snow," obviously didn't have to drive on Carroll County's back roads. Fortunately we were close to "Shut Down" when a large part of the snow came down. During our CLOSED time we completed our usual cleaning: carpet-kitchen-equipment-furniture, etc. We also did a little painting here and there. We have been listening to member's requests and some additions and eliminations have been made to the menu.

We made some progress in updating our Website. Check it out-www.atwoodyc.com. We hope to have more pictures posted soon. We also will try to have a "CURRENT EVENTS" listing on the site so you can find out what's going on. You will once again read the Scuttlebutt on the web site.

During our last board meeting we discussed and then decided to eliminate our **Drink Chips**. At the close of business on April 15th, the Chips will no longer be accepted. Make sure to find all your old chips and use them by that date! After the 15th, any drinks purchased as a gift will either be consumed at that time, or a credit will be added to your account. This new procedure will eliminate the confusion over what drinks can be ordered using the chips.

While I'm thinking about it, wasn't that a great ITALIAN PARTY? Thanks to Rick & Sheila Cercone and their entire committee. All efforts were appreciated. They also helped raise \$1,100.00 for our pool project.

As you travel around on vacation this year, keep in mind that there are many other Yacht Clubs that you can visit. We have a book that lists all Yacht Clubs that have a reciprocal agreement with us. It's located in the lounge. You can also purchase your own copy by visiting www.ycaol.com

I'm looking forward to seeing everyone at the Opening Party, Friday, February 26. Read more about it in the Social Committee's article elsewhere in this issue. In closing, remember that it takes all of us participating to make our Club "THE PLACE TO BE."

Thanks,

Commodore, Danny

Ladies Auxiliary News.....

The first meeting of the 2010 AYC Ladies Auxiliary was held Thursday, January 21, at the Club. Bobbie Jones presided with Carla Mitchem - Vice President, Rosalee Davis - Secretary, and Becky Harold - Treasurer. There were ten other members present. At the business meeting the Bus Trip to Niagra Falls and the Art Show were discussed as old business. As for new business the tentative calendar was discussed as well as money making projects, improvement ideas for the Club and other projects were mentioned.

The February 18th meeting had to be moved to Colleen Detchon's house due to the Club's closing for repairs and the Atwood Lake Lodge being closed as well. At this meeting the Commodore discussed some of the upcoming projects needed for the Club. Refreshments were served and enjoyed by all in attendance.

The rest of the Meetings Scheduled are as follows:

Mar. 18.....International Party (Guests will discuss their travels from previous year.)

DUES-DUES-DUES-DUES-DUES.....

The Board of Trustees extends their appreciation for those who have paid their dues and fees promptly. Early payment made if possible for our Treasurer to get our Line-of-Credit paid off and get our Club moving forward on a sound standing.

If you have not sent in your check, please do so now or give a call to Secretary/Treasurer John Bodnar to discuss your situation. We do recognize that economic conditions are difficult for many, and we don't want to loose a single member, however we must follow our Club's By-Laws.

Pool Fund.....

Thanks to all who have pledged to the pool fund. We are approaching the \$60,000 amount as of this date. This is a good start, however for those wishing to participate with support, please contact any member of the Pool Committee.

All pledges and contributions are needed and very much appreciated.

Social Committee.....

The summer social calendar is filling up with fun, fun, fun activities, including the return of past favorites and the usual great events. The club reopens Feb. 24 and two days later the fun begins with the Opening Party, featuring entertainment by the popular John Stipe.

We have a very special treat for St. Paddy's Day. The world famous Tim O'Hare School of Irish Dance will bring a troupe of their best, young and old, to the club's banquet room for a 40-minute program of the Irish step dancing made famous by "Riverdance" and "Lord of the Dance." This troupe has produced six world champions in the last 12 years at the All Ireland competition held annually in Ireland and have 10 qualifiers competing this year. They will perform at 7 p.m. and Hors d'oeuvres will be served starting at 6:30. There will be a small cover charge. After the performance, we will have entertainment in the lounge at 8.

April will see the return of the Kid's Easter Party on the 3rd, and the popular Murder Mystery night is being planned by Joan Young and Trish McCullough for the 17th. The Commodore's Ball is May 1. Randy Wells and his committee are planning a gala ball for Dan Detchon and Colleen.

The Member/Guest Golf outing is set for June 12 and Nevada Leggett is planning the Kid's Carnival for June 27th. July features the Blue Gavel Breakfast on the 4th, the Second Annual AYC Car Show on the 18th, and the Pool and Porch Party on the 24th. The Pirate Party will return after a 2-year hiatus and be part of the Pool and Porch Party, so get your water balloons ready. The Pool and Porch Party on August 21 will become a Beach Party this year. Hawaiian shirts and hula skirts optional.

That's a lot to do, and there's even more that we'll let you know about in each Newsletter, so stay tuned.
